

# Module Handbook

for the study program Master of Science  
(M.Sc.) Visual Computing

FAKULTÄT FÜR  
INFORMATIK

## of the Faculty of Computer Science

valid for SPO 2024 and older SPOs\*

valid for winter term 2026/27 and preliminary for the summer term  
2027

as of 01.10.2026

\* For examination regulations (SPO) older than SPO 2024, different standard study plans apply and must be taken into account accordingly. Please pay

particular attention to differing compulsory courses and credit points (CP). Courses that do not match your SPO may not be credited in full or at all. Also check the module allocations in the module handbook for the winter semester 2024/2025. In case of inconsistencies or uncertainties, please contact the Examination Office.
